The meeting was started by the reciting of verses of the holy Quran. Chair of the meeting and the governor of the Wardak province Haji Safullah welcomed all the participants and Stated that “ I am happy to be in the opening process of the second PCB meeting in Wardak province and all we know that this province is an urgent need for humanitarian Assistance and we have many problems which existed in the province and need urgent solution. The solving process for the existing problems is possible through better coordination and joint planning. This is the reason that we are gathered here. Once again I request all the UN Agencies and NGOs to help us in this process. I request the co-chair Mr. Jens Christensen to announce the Agenda for the to day meeting.

Approval of the Agenda and minutes for the lost meeting:

Mr. Jens kristensen Co-chair and Area Coordinator of UNAMA Central Area has provided the information about the Agenda and also suggested that the meeting should started and the exact time on (9:00 am) in the future. The participants approved the Terme of Reference fro the PCB. Before starting of the sector meeting Mr. Jens explained that how to fill the planning Metrics by the Sector groups. The planning metrics are distributed to all sector Groups. Some of the participants are suggested that if the sector meeting holds once in 15 days it will be good because we facing many problems during the month and we need to discuss it in the sector meeting. Mr. Jens mentioned that if the sect oral groups want to meet every week this sub to them and there is no limitation on them.

Sector meeting:

All the established sectoral groups are separated and filled the planning metrics. Mr. Crowley from AIMS distributed the maps to the all sectoral groups and explained that every organization need to mark its activities area in Wardak in the maps.

During the sector meeting all the sector groups filled out the planning metrics.
